DÜLGERGRUP

BİLİŞİM ve HAZIR YAPI TEKNOLOJİLERİ A.Ş.

ABOUT US

The adventure, which started in a workshop in **1987**, continues for many years. With the generation change after the 2000s, the name **DÜLGER** became a brand that not only produces prefabricated buildings and houses in Turkey but also started to export abroad.

A separate field has been opened in the prefabricated buildings sector with Kolay Prefabrik. Overseas expansion efforts have been increased. Dealerships and representations were granted.

Following the breakthroughs made, turnkey projects including mixed real estate and construction infrastructure projects were undertaken. We started to operate in the field of export. NVU Export started to provide service.

After 2016, work started in different business fields. Hexagon Digital brand was established in the advertising and software industry. Studies in this field have grown. Later, HF media Advertising Agency, HF lab Private Software House and HF game Game Software House areas were put into operation.

On the 100th anniversary of the Republic, all brands and companies were merged under one main name: **DÜLGER GRUP BİLİŞİM ve HAZIR YAPI TEKNOLOJİLERİ A.Ş.** collected as.

With the latest developments, DÜLGER GROUP;

- Prefabricated Buildings
- Software
- Media
- Real estate
- Building
- Import Export

operates in its fields.

Apart from the work he does for his customers; It is carried out in the digital field, which is an area of special interest and investment; Special software and game projects are ongoing.
